[REDACTED] (FBI) INTEREST IN FLYING SAUCERS

Thursday, 11 December 1952 (5)

25X1A [REDACTED] (FBI) Liaison Officer (Code 175 X-515) called to see Mr.  
 25X1A Amory and in the latter's absence I took [REDACTED] request. It was that  
 25X1A Mr. Hoover is very much interested in the subject of flying saucers and it  
 25X1A has been reported to him that the matter was discussed at the IAC Meeting of  
 25X1A 4 December. Mr. Hoover had asked [REDACTED] to obtain as much information as  
 25X1A we are willing to give him. I discussed with DD/I, who later discussed it  
 25X1A in turn with General Smith. It was decided that O/SI would be authorized  
 25X1A to brief [REDACTED] with as much information as is available from O/SI to the  
 25X1A other IAC members. I so informed [REDACTED] who will get in touch with  
 25X1A [REDACTED] early next week. [N.B.: DCI has said pungently that [REDACTED] or someone  
 25X1A9a [REDACTED] should attend IAC meetings so he could  
 25X1A9a get dope. *added by RA Jr*]
